Respected Sir,

Sub: Regarding the permission for Online classes offered to the exchange students

Due to the situation of COVID-19, the immigration restriction is continued and our students are not able to apply for visa until the immigration restriction is lifted. However, Soka University Japan offers online classes for the exchange students. The exchange students of our college, Ms.Thameem Afshan of 2nd year B.Sc.Psychology, and Ms. Rakshana Parveen are willing to take some courses offered by Soka University.

The courses start from the middle of April 2021 and get over in the beginning of August 2021. They will select the courses in such a way that they will not miss the classes which are conducted by Soka Ikeda College. However, it will be difficult to manage online classes once the physical classes resume. The timing of our college classes may intervene with the online classes. We have instructed the students to balance the classes without affecting each other.

Kindly permit them to take up some courses offered by Soka University and complete the courses. They will submit the details of the courses which they take and we will follow up. Thank you.
