National Science Day is celebrated every year on 28.02.22, the day when Sir CV Raman discovered the Raman Effect, a phenomenon in spectroscopy. In this regard, the Department organized interdepartmental competitions such as pencil sketching and e-poster making on 28th February 2022. Students from various departments enthusiastically sketched the portrait of renowned scientists and presented e-poster on the topic “Recent advances in Science for a Better Tomorrow”. The students’ efforts were recognized, appreciated and rewarded with medals and certificates.
