Dr. N. Unnamalai Sangeetha	ED Cell, Coordinator
Mr. S. Rajamanickam	Co-promoter, M/s. Redema & M/s. Plant Engineering Services, Chennai.

ACTIVITIES AND PROGRAMS

- Conducting entrepreneurship awareness programs.
- Organizing workshops and seminars on various aspects of entrepreneurship.
- Facilitating business plan, competitions and hackathons.
- Incubating promising startups by providing counseling and resources.

FUNDING AND BUDGET

- Received external funding as a spoke institution through grants.

MEMBERSHIP AND PARTICIPATION

- Cell encourages students from all disciplines to join and actively participate in EDC activities.

EVALUATION AND PERFORMANCE MEASUREMENT

- To evaluate the effectiveness of EDC initiatives.
- Regularly assess the impact of EDC programs on student's entrepreneurship.

REPORTING AND ACCOUNTABILITY

- Submission of regular reports to the college and the advisory board.

OUTREACH AND PROMOTION

- To promote EDC activities through various communication channels.
- To encourage alumni and successful entrepreneurs to engage with the EDC.

AMENDMENTS AND REVIEWS

- Periodic reviews and updates are made to the policy to adapt to changing needs and trends in entrepreneurship.
- Ensuring compliance with all relevant institutional and legal regulations.
- EDC is a vital force in creating a well-structured and comprehensive entrepreneurship development among students. The Cell works to achieve its objectives and promotes a thriving entrepreneurial ecosystem within the college. Additionally, regular review helps and keeps it relevant and effective.

ACTIVITIES OF ENTREPRENEURIAL DEVELOPMENT CELL

The activities of the ED Cell can be divided into regular activities conducted throughout the year and special activities conducted from time to time.

REGULAR ACTIVITIES OF ENTREPRENEURIAL DEVELOPMENT CELL

The ED Cell plays a vital role in promoting entrepreneurship skills in students. The following ventures help students to practice entrepreneurship skills.

Activity I - Soka Stationery Store (2009):

The Soka Stationery Store was established in the year 2009 to cater to the essential needs of students. This activity offers students an opportunity to develop their entrepreneurial skills while benefiting both staff and students with a wide range of stationery products. Students engage in sales and learn the techniques of marketing through this venture.

Activity II - Soka Aavin Parlour (Started in the year 2015):

Recognizing the importance of growing need for dairy products as a source of nutrients, the Soka Aavin Parlour provides a variety of dairy foods, particularly beneficial for individuals of all age groups. This activity serves as a platform for students to enhance their entrepreneurial skills while benefiting the college community with quality dairy products. Students execute all the activities under the guidance of a faculty. Students learn the methods of procurement, sales and maintaining accounts.

Activity III - Mushroom Cultivation (Started in the year 2012):

The Mushroom Cultivation programme, supported by the college's expert trainer, trains around 50 students each year. Oyster mushrooms, known for their protein content, are cultivated with minimal environmental requirements. This initiative not only empowers students but also opens doors for small-scale entrepreneurial opportunities in the community, benefiting self-help groups, parents, and students.

Activity IV - Organic Retail Outlet (Started in 2022):

The recently launched Organic Retail Outlet focuses on chemical-free, natural farming practices. This activity aims to educate and involve student entrepreneurs in the organic food trade, creating a positive impact on both the student community and society.

Activity V - Soka Goli Soda (Started in 2022):

Soka Goli Soda brings a traditional Indian carbonated beverage to the fore. It is served in reusable glass bottles, sealed with a glass marble to maintain carbonation. Student is given the opportunity to sell Goli Soda through Sakura, college canteen and get profit out of it.

These activities serve as the backbone of entrepreneurial development in the college, empowering students to develop their entrepreneurial skills and make a positive impact on the community and society.

2022-2023

SOKA STATIONERY STORE 2022-2023

The Soka Stationery Store was started in the year 2009-2010. The students actively participate in the sales activities. The Soka Stationery Store has given an opportunity to enhance the entrepreneurial skills. Our staff and students are benefited through the stationery products which are available at Soka Stationery Store.

MUSHROOM CULTIVATION (OYSTER FARM) 2022-2023

Mushroom Cultivation training programme is conducted in our college campus with the support of the Management. From 2012, every year around 50 students are trained by an expert trainer. Oyster Mushroom is cultivated which is rich in protein. Mushroom cultivation is a new investment opportunity for the students that enable them to start their business on a small-scale level. The cultivated mushroom is given to the college hostel and stake holders. S. Manonmani, Biochemistry, Alumnae Representative (2020-2023), who received training, conduct the training sessions along with the expert trainer.

ENTREPRENEURSHIP DEVELOPMENT PROGRAMME
IN COLLABORATION WITH UNIVERSITY OFMADRAS EDII-IEDP HUB

Date: January 9, 2023

Introduction: The Entrepreneurship Development Cell organized a one-day "Entrepreneurship Development Programme" for the final year students from various academic disciplines. The program was conducted in association with UNOM EDII-IEDP HUB, aimed to equip students with essential entrepreneurial skills and knowledge.

SESSION 1 & 2

Session 1 - Kickstart with Dr. P Madhu Malar: The day commenced with an invigorating session led by Dr. P Madhu Malar. Dr. Malar established a comfortable and engaging atmosphere by initiating a "clap therapy" exercise. Following this, an interactive quiz on famous entrepreneurs encouraged participation and set the tone for the day. Dr. Malar, through insightful discussions, helped students identify their entrepreneurial potential. Additionally, she shed light on various government schemes available for aspiring entrepreneurs.

Session 2 - Intellectual Property Rights: In the second session, Dr. Malar delved into the realm of Intellectual Property Rights (IPR). She elucidated the facets of IPR, particularly focusing on patents and trademarks. To make the learning experience more dynamic, an entrepreneurship-themed game was incorporated, leaving students inspired and enriched.

SESSION 3 & 4

Session 3 - Crafting Effective Business Plans with Ms. G. Lavanya: The program continued with Ms. K. Nirmala Devi, a dedicated member of the ED Cell, introducing the esteemed guest speaker, Ms. G. Lavanya. Ms. Lavanya, the Chief Marketing Officer of IDEEZ and Founder & CEO of Pearl Career, commenced the session with a brief but insightful introduction. She emphasized the importance of crafting effective business plans. The students were guided through the process of designing business plans, models, and logos, empowering them to visualize and strategize their entrepreneurial ventures.

Session 4 - Navigating Startup Registration and Marketing Strategies: The fourth session commenced with a comprehensive explanation of the startup registration process. Ms. Lavanya instilled students with knowledge about various marketing strategies that could bolster the success of their startups. This interactive session saw students actively engage with the speaker, posing questions and receiving valuable clarifications.

Conclusion: The Entrepreneurship Development Programme culminated successfully at 3.30 pm leaving students inspired and equipped with the knowledge and skills needed to embark on their entrepreneurial journeys. A vote of thanks was extended to all involved parties for their valuable contributions
