About the Book

"Managing A Million Missions: Strategic Capacity Building for Non-Governmental Organizations" is a major book with applicable skills and knowledge for enhancing organizational management capacities of NGOs/Non-profits of all sizes and scopes across the globe. Written within a strategic framework, this guidebook for NGO leaders, academics and students, is a product of three years of hard work and dedication by the authors who are renowned experts of NGO/Non-profit management on an international scale. This landmark book is carefully designed and developed to promote organizational effectiveness and operational efficiencies of NGOs. Soka Ikeda College of Arts & Science is proud to host the South Indian release of this immensely valuable book.
