(1933 - 2012)

The logo of our college with its navy and cerulean colour depicts the nib of a pen flanked by the wings of the mythical Chinese phoenix, which legend has it rising from the ashes of adversity and soar to great distance.

The pen represents wisdom and the wings are symbolic of the passion of youth who take flight into a glorious future.

The flying ribbon signifies a courageous woman who is able to contribute to society with elegance and tenderness. It also expresses the hope that the college will grow with vigor and valor.

## MOTHER SONG

Mother, Oh Mother  
What a wonderful, nourishing power you have!  
Were it not for you in this world,  
People would lose the earth to return to,  
And wonder for all eternity.

Mother, Our mother,  
Persevering through the storm,  
You offered days and nights prayers in sadness.  
I pray you will stay in good health until the day  
When all your wishes are fulfilled,  
And, as though endowed with wings,  
you take flight toward the heavens.

Mother, Our Mother  
with your ideas and wisdom,  
I hope you will perform a melody of peace on the earth,  
Where people look forward to the arrival of seasons of spring.  
Thus, you, Oh Oh Mother! You'll live as a mother  
of the Century of Humanity!

*Dr. Daisaku Ikeda*

## COLLEGE SONG

Sparkling in the morning sun, Behold the dazzling flowers  
We search for knowledge, truth and light  
Let us strive for visions bright

May all our voices rise to praise and rise to praise  
Our Soka Ikeda College will  
strive for peace of the world (Chorus)

Enlight the Ikedians life with laurels Let us create countless marvels  
Guide us all our thoughts and steps  
Direct the ways of downs and ups (Chorus)

With wisdom we fly from the garden of Soka  
Spreading peace our master's dream (Chorus)

Over the years the college will rise  
And make us tread in the footsteps of life (Chorus)

## DANCE OF THE TWENTY-FIRST CENTURY, THE CENTURY OF WOMEN

*Dedicated to our students by Dr. Daisaku Ikeda*

Youthfulness is hope.  
It is strength, it is victory.  
It knows no defeat,  
is adamant and indestructible.

To live in youthfulness,  
to treasure it,  
to give it full expression,  
is to be a person of sublime joy,  
one who walks the highest path of life  
with proud, angelic steps.

The eyes of maidens  
sparkling bright and serene like moonlight!  
The all too beautiful eyes of youth!  
Let nothing ever cloud or sully  
the pure light of your eyes!  
Know with crystalline clarity  
that the purpose of life  
is to become happy.

To this end,  
study philosophy,  
strengthen and elevate your life.  
To this end,  
walk the path of justice.  
Hold firm the well-spring of your spirit.  
Spare no effort  
in forming and building your inner self.

Dedicate yourself to a life of service  
through action for good,  
for the sake of friends,  
and, broadly, for the sake of all people.

Life at each moment is to win or to lose.  
Happiness is something which you yourself  
must strive for and achieve.

The resolute challenge to gain happiness  
waged to the very last  
affirms the true meaning of "youth".  
Youthfulness is found  
in the tenacity of one's younger days  
and in the indomitable perseverance  
of one's entire life.

Such is the victory of youthful vitality  
enveloped by golden light.

For those who lost their fathers early.  
For those whose mothers died tragically.  
For entire families struck by disaster.

For those overwhelmed by  
the fateful burdens of the past,  
by a history of sorrow and hardship.  
For those who,  
through tears of outrage and frustrations,  
have persevered earnestly, valiantly ...

The dark sadness of the past  
does not determine your life's future,  
any more than a seemingly happy past  
can promise a future bright with joy.

Elevate and develop yourself now.  
where you are at this moment!  
Grasp and create a future  
of happiness and victory!  
Through the feverish waves of society,  
you yourself must decide  
with unflinching courage  
that you are a master of happiness,  
that you are a queen whose heart  
is filled with happiness.

This is what you must forge  
through your own efforts  
never swayed or controlled by others.  
Happiness is not determined  
by other people.

It is your most basic right.  
It is the highest, most noble laurel of victory  
which crowns those who live  
courageously and honestly.  
My dear friends!  
Live your life  
never forgetting  
that you yourself  
are the greatest of all treasures!

For Florence Nightingale, an angel in white,  
training meant to develop oneself  
to make full use of the potentials  
you possess within yourself.

Youthful women,  
because you possess  
the most splendid treasures of life,  
you are entitled,  
you have the right  
to enjoy unsurpassed happiness.

May you live a wonderful life!  
Advance toward a life of splendour!  
Live your magnificent life  
fully and to the utmost!

May each and everyone of you  
---without a single exception---  
achieve the highest happiness!

May each and everyone of you  
enjoy a lifetime of victory, glory and happiness  
free from any trace of regret!  
It is for this that your fathers,  
your mothers  
and I  
cannot restrain our prayers.

**Dr. Daisaku Ikeda**  
(World Poet Laureate)
