

4.1.1 Response:

The institution has a sprawling campus of 9.154 acres with 4,10,505 sq.m of land with a magnificent arch bearing the college name in the entrance. Nearly 800 trees make the campus airy and oxygen-rich.

- **Class rooms:** The College has two-storey buildings in three blocks with spacious classrooms. There are 49 classrooms with good furniture, fans and blackboard. Sign boards are placed in all rooms for identification. A consolidated map of the campus is put in the lobby for the students and the public.
- **Laboratories:** Three computer laboratories with 125 computers cater to UG and PG students. There are printers, scanners and speakers to aid students. Labs are provided with all required software and open-source tools. Laboratories of Biochemistry, Zoology, Psychology and Physics have advanced and necessary equipment. Refurbishing of labs is done from time to time. A software professional is employed to check and maintain the computers immediately. A Laboratory manual is maintained in the lab for the convenience of the students.
- **ICT facility:** The institution has a bandwidth of 320 Mbps internet connection which is accessible through 152 Wi-Fi ports. The College administration, finance and examination are automated and all the activities are monitored in the Principal's office.
- 11 class rooms have ICT facility with a screen, a projector and speakers which are used for power point presentation and movie screening. All department staff rooms have notice boards, bureaus, intercom facilities and internet-connected computers with printers.
- The internet facility and printers are available in labs, administrative office, exam committee and IQAC. Transport Office is provided with a computer, printer and internet. The air conditioned seminar hall with a seating capacity of 100 is also equipped with ICT facility.
- Examination Cell is equipped with internet connectivity, telephone with intercom facility, bureau with safety locker facility, cupboards and printer for conducting examinations.
- The automated "Kaneko Library" holds 12,652 books, 1,99,500 e-books and 6000+ e-journals, 322 Periodical Back Volumes, National, International journals and magazines. The details of various OER are put in the library and students browse through computers provided in the library. Reprography facility is available in the administrative office and in the library.
- Research Centre for Ikedian Studies has a collection of 1130 books by Dr. Daisaku Ikeda.
- Biometric System is followed for staff.
- The entire college is under 40 CCTV surveillance cameras and the activities are monitored in the principal's office.
- **Culturals:** Intra-departmental, inter-departmental and intercollegiate cultural activities are conducted regularly. Department wise competitions are conducted in the classrooms.
- Annual inter departmental cultural competitions "Kalakshaya" and Intercollegiate cultural competitions "Vagai" are conducted with special stage. Cultural Club, Swarajathi, organizes various cultural events for the students in the open auditorium which accommodates more than 2000 people. Heritage Club organizes many off-stage events for the students.
- **Yoga:** Basketball ground and Physics labs are used as a multipurpose area for conducting Yoga sessions. Yoga courses are conducted for students and staff.
